Section 1.01 Function. Western Psychological Association, Inc., (hereinafter called the “Association”) was incorporated by the Secretary of State of the State of California on July 12, 1967. The Association was formed to advance the scientific, educational and professional interests of psychologists in western Canada and the western United States, especially including Alaska, Arizona, California, Hawai’i, Nevada, Oregon and Washington.

Section 1.02 Mission. The Association originated in 1921 and continues for the purpose of stimulating the exchange of scientific and professional ideas and, in so doing, enhancing interest in the processes of research, scholarship, teaching and community service in psychology and related fields of the behavioral sciences.

ARTICLE II
OFFICES

Section 2.01 Principal Office. The principal office of the Association for the transaction of its business shall be located in California, at such place as shall be determined by the Board of Directors (hereinafter called the “Board”) from time to time.

ARTICLE III
MEMBERSHIP

Section 3.01 Members. The Association shall have voting members and non-voting members, all subject to membership fees, rules and procedures prescribed by the Board:

(a) Voting Members: Individuals who (1) by virtue of their employment, education (doctoral or masters’ degrees in psychology or closely related fields) and/or significant professional accomplishments, identify with the discipline of psychology, (2) who meet current standards for research, teaching and/or the practice of psychology **and** (3) who apply and are accepted for membership and, unless waived by the Board, have paid annual dues.

(b) Non-Voting Members: Individuals (1) who are students currently enrolled in colleges and universities accredited by one or more agencies recognized by the U.S. Secretary of Education as reliable authorities concerning the quality of education or training offered by the institutions of higher education or higher education programs they accredit or (2) who have sufficient background and interest in psychology to warrant associate memberships as approved in accordance with rules adopted by the Board. Non-voting memberships are obtained by application to the Board and payment of dues, unless waived by the Board.

The Board shall establish rules and procedures for the admission of members and for appeals in the case of membership denial. Membership shall not be denied on the basis of race, religion, gender preference, national origin, ethnic identification or disability. The Board may establish fee waivers or reductions for individuals based upon years of membership, employment and economic status.

Section 3.02 Voting and Office Rights. Each voting member in good standing shall be entitled to one vote and the privilege of holding office in the Association. Membership is not transferrable. The voting members shall elect the President-Elect, the Treasurer, and the Representative-at-Large.

Section 3.03 Meetings of Members. The regular meeting of the members shall be at the annual convention of the Association during the Spring of each year at a time and place selected by the Board. Special meetings of members may be called at any time by the Board.

Section 3.04 Notice of Meetings. Notice of all membership meetings and conventions shall be posted on the Association web site and sent by mail or email to all members at least 30 days before the meeting, stating the location, the date and time schedule and, in the case of special meetings, the purpose of the meeting and proposals to be discussed.

Section 3.05 Quorum for Meetings. A quorum for the conduct of business at an annual meeting shall be 20% of the voting members registered at the annual convention. At any special meeting, at least 50 voting members must be present or represented by proxy to constitute a quorum; provided, however, that if any proposal not substantially set forth in the meeting notice or on the Association web site is to be voted upon, one-third of the voting members must be present in person or by proxy.

Section 3.06 Voting. Voting members may vote by proxy at a meeting of members, or by emailed ballots, as determined by the Board. In the event that there are more than two candidates for any office, voting shall be by the Hare system, under which voting members shall rank order the candidates for each such office in accordance with procedures promulgated by the Board.

ARTICLE IV BOARD OF DIRECTORS

Section 4.01 Number and Qualification of Directors. The number of directors of the Association shall be five, and shall expand to such larger number as the Board shall from time to time determine. All directors must be voting members. Five directors shall be the Past-President, the President, the President-Elect, the Treasurer and the Representative-at-Large. They shall each serve a term of three years and shall be elected directly by the voting members.

Section 4.02 Powers. Subject to the provisions of the California Nonprofit Corporation Law, and any limitations in the Articles of Incorporation and these Bylaws, the activities and affairs of the Association shall be conducted and all corporate powers shall be exercised by or under the direction of the Board.

Section 4.03 Duties. It shall be the duty of the members of the Board to:

- (a) Perform any and all duties imposed on them collectively or individually by law, by the Articles of Incorporation of the Association or by these Bylaws;
- (b) Appoint and remove, employ and discharge and, except as otherwise provided in these Bylaws, prescribe the duties and fix the compensation, if any, of all agents and employees of the Association, including the engagement of an executive director or contractor to conduct administration and convention organization;
- (c) Fill vacancies on the Board until the next annual election of members;
- (d) Supervise all officers, agents and employees of the Association to assure that their duties are performed properly; and
- (e) Purchase appropriate insurance for the Association, including officer-director coverage.

Section 4.04 Compensation. Directors shall serve without compensation for their services, but may be reimbursed for out-of-pocket expenses incurred on behalf of the Association and incurred in the performance of services to the Association.

Section 4.05 Restriction Regarding Interested Directors. Before voting on any item before the Board, each director shall identify and disclose personal financial interest with respect to the item. For purposes of this Section, "a personal financial interest" means either:

- (a) The director currently is being directly or indirectly compensated by the person or entity that is proposed to be dealing with the Association to provide services or goods or otherwise has a financial interest through ownership or commitment that would bring financial benefit to such director, or
- (b) Any brother, sister, ancestor, descendant, spouse or domestic partner, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law or father-in-law of such director will receive such compensation or has such financial interest in such transaction.

Such disclosure shall be noted in the minutes of the meeting or made an attachment to any written consent to action without a meeting. To the extent feasible, a director with a personal financial interest in any action item shall recuse himself or herself from the vote on such transaction, unless his or her vote is necessary for quorum purposes.

Section 4.06 Term of Office. Each director shall hold office for a term of three years, unless removed by a vote of two-thirds of the Board with cause. Terms of office shall commence on the close of the annual convention and continue until the close of the next annual convention. A director appointed by the Board to fill a vacancy shall serve until the end of the next annual convention. The terms of office shall be staggered to the extent feasible to provide continuity of knowledge of Association history and experience on the Board.

Section 4.07 Place of Meetings. Meetings shall be held at the principal office of the Association unless otherwise provided by the Board or at such place designated from time to time by resolution of the Board. Any meeting, regular or special, may be held by conference telephone or similar communications equipment, so as long as all directors participating in such meeting can hear one another.

Section 4.08 Regular Meetings. Regular meetings of directors shall be held on dates specified by the Board.

Section 4.09 Special Meetings. Special meetings of the Board may be called by the President or by any three directors, and such meetings shall be held at the place designated by the person or persons calling the meeting, and, in the absence of such designation, at the principal office of the Association.

Section 4.10 Notice of Meeting. Regular meetings of the Board may be held without additional notice, if held as scheduled by the Board. Special meetings of the Board shall be held upon four (4) days' notice by first-class mail or 48 hours' notice if delivered personally or by telephone, fax or e-mail. Such notices shall be addressed to each director at his or her address as shown on the books of the Association or as last instructed by the director to the Board. Notice of the time and place of holding an adjourned meeting shall be emailed to all directors.

Section 4.11 Quorum for Meetings. A quorum shall consist of a majority of the directors then in office. The directors present at a duly called and held meeting at which a quorum is initially present may continue to do business notwithstanding the loss of a quorum at the meeting due to a withdrawal of directors from the meeting, provided that any action thereafter taken must be approved by at least a majority of the required quorum for such meeting or such greater percentage as may be required by law. In the event that the number of directors in office is less than three, the remaining directors or director may appoint additional directors to fill the vacancies.

Section 4.12 Conduct of Meetings. Meetings of the Board shall be presided over by the chairperson designated by the Board, or, if no such person has been designated or, in his or her absence, the President of the Association, or in his or her absence, by the President-Elect of the Association or, in the absence of all of those persons, by the Past-President of the Association. The Secretary of the Association shall act as secretary of all meetings of the Board, provided that, in his or her absence, the presiding officer shall appoint another person to act as Secretary of the Meeting. Meetings shall be governed by Roberts Rules of Order, as such rules may be revised from time to time, insofar as such rules are not inconsistent with or in conflict with these Bylaws, with the Articles of Incorporation of the Association or with provisions of law.

Section 4.13 Action by Written Consent Without Meeting. Any action required or permitted to be taken by the Board under any provision of law may be taken without a meeting, if all directors shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such an action by written consent shall have the same force and effect as the majority vote of the directors. Any certificate or other document filed under any provision of law that relates to action so taken shall state that the action was taken by unanimous written consent of the Board without a meeting and that the Bylaws of the Association and the California Corporations Code authorize the directors to so act, and such statement shall be prima facie evidence of such authority. In the event a director has a personal financial interest in the matter to be acted upon, the identification and disclosure of that interest shall be communicated to the other directors by email in advance of submitting that director's written consent, and the consents of the others shall be subject to withdrawal within 48 hours of receipt of such disclosure. During that 48-hour period, the action is not effective unless all other directors have waived the withdrawal right in writing or by email.

Section 4.14 Non-Liability of Directors and Indemnification. The directors shall not be personally liable for the debts, liabilities or other obligations of the Association. To the extent that a person who is, or was, a director, officer, employee or other agent of the Association has been successful on the merits in defense of any civil, criminal, administrative or investigative proceeding brought to procure a judgment against such person by reason of the fact that he or she is, or was, a director, officer or agent of the Association, or has been successful in defense of any claim, issue or matter, therein, such person shall be indemnified against expenses actually and reasonably incurred by that person in connection with such proceeding. If such person either settles any such claim or sustains a judgment against him or her, then indemnification against expenses, judgments, fines, settlements and other amounts reasonably incurred in connection with such proceedings shall be provided by the Association, but only to the extent allowed by, and in accordance with the requirements of Section 7237 of the California Corporations Code.

Section 4.15 Council of Representatives. The Board shall maintain a Council of Representatives as an advisory body. Members of the Council shall be selected from voting members from post-secondary institutions within the western region who volunteer to provide information about the Association to faculty and students in their institutions and to make recommendations to the Board through the Representative-at-Large. The Council is not a voting body and its recommendations are not binding on the Board.
