

CONTINUING EDUCATION CREDIT OPPORTUNITIES

At the Western Psychological Association Annual Convention

April 25-28, 2019 Pasadena, CA

The Continuing Education program at the WPA Annual Convention is a co-sponsorship between the Western Psychological Association and Seattle Pacific University¹.

To obtain CE¹, you must (a) register and pay the \$55 CE registration fee on the WPA website: <http://westernpsych.org/registration/>; (b) sign in/out of each CE-approved session you attend; (c) complete an online CE evaluation for each session for which you are signed in/out. Within 2 weeks following the convention, links to the online evaluations will be e-mailed to you. When you complete them, *Certificates of CE Completion* will be auto-generated and instantly e-mailed to you.

You may obtain more information about each of the presentations in several places. The [WPA 2019 Convention](#) contains abstracts and presenter bios for the statistics workshops and invited presentations. For more information including educational/learning objectives, abstracts, presenter bios, target audience, and instructional level for all presentations, please e-mail APA_CE@spu.edu

*This schedule was created weeks prior to the WPA convention and is **subject to change**. Please double check the printed WPA program and/or convention app to confirm location dates/times. In fact, the WPA convention app includes “CE” as a “track” (allowing you to select and view only CE events).*
