Dear WPA Fellow,

We are now accepting nominations for WPA Fellowship Status and for the following WPA Awards:

Outstanding Teaching Award
Early Career Research Award
Social Responsibility Award
Enrico Jones Award for Research in Psychotherapy and Clinical Psychology

As a WPA Fellow, we hope that you will take a few minutes to nominate one of your WPA colleagues who you believe would be a good candidate for Fellowship Status or for one of the awards listed above.

Nominations require a letter of nomination (may be a self-nomination) describing the qualifications of the nominee, along with a current Curriculum Vita of the nominee and two supporting letters, that must be received by January 5, 2022. The nomination letter should include contact information for the people who provide letters of support. It is the responsibility of the nominator to assure that supporting letters are received by the deadline.

Full information about the awards and nomination procedures can be found using the following link: <http://westernpsych.org/wpa-awards-and-fellows-information/>

All nomination materials should be sent to Terry Cronan, Chair of the WPA Awards, at tcronan@sdsu.edu. Nominations must be received by the deadline of January 5, 2022. Please let me know if you have any questions.

Best wishes,
Terry Cronan
